

Thank you for choosing Child Neuropsychology & Counseling Center to meet your needs. If you are paying by insurance, please be sure you have checked with Joann Bell regarding your insurance by filling out the form on this site. If you need to talk to her, her number (817-516-7019). If you are paying with cash, the payment is \$2200. We prefer cash or check, but can take credit cards when necessary.

Please complete the forms: Child & Family History form, a Notice of Privacy Practices, Consent Forms, and Financial Policy found on this same page.

Please bring to the appointment any prior testing on your child. It will be helpful in determining baseline information. Additionally, if you are divorced, either have your ex-spouse also sign the consent for testing or provide a copy of your divorce decree indicating your ability to access testing for your child. Additionally, if you were referred by a physician, please call them and ask them to fax your medical records/referral to our office.

When you have completed the forms, please e-mail them back to this website or fax (214-378-7009) them back to us as soon as possible. Once we receive your paperwork and your insurance verification, we can move you up. All paperwork (including insurance verification) must be in our office **no later than one week prior to testing** so that we may be prepared for your child's testing. If the paperwork is not in our office prior to one week before testing, your appointment may be rescheduled.

Monday testing begins at 8:45 am, while Tuesday/Thursday testing begins at 8:30 am. The testing will take most of the day. We typically finish about 3:00 to 4:00; however, this is not always the case, so please plan on staying until 4:30 or 5:00.

My office is located at 8340 Meadow Road, Suite 134 (Mapsco 26K). The office actually faces Rambler Drive. You will take the Meadow Road exit just south of 635. Go left on Meadow about two blocks. When you get to Rambler Drive (second light) you will cross it and turn into the first driveway on your right. Go in the building marked 8340. You will take a left from the foyer of that building and the office (Suite 134) will be on your right.

Please be sure your child gets a good night sleep and a healthy breakfast before the evaluation. **It is helpful to bring healthy snacks for energy during testing.** We will take about an hour lunch break and it will be beneficial if you take your child out for a good lunch for a chance to relax.

I look forward to working with you. If you have any questions please let me know.

Sincerely,

Pediatric Neuropsychologist
8340 Meadow Road, Suite 134
Dallas, Texas 76231
